

I hope you have had a wonderful summer. A chance to reconnect, try something new, and spend time with family and friends. It is hard to believe another school year is already starting! To our many new families and students – welcome to Wilton Grove. You have joined a wonderful learning community. Welcome back to all our returning wizards and their families. I too, am looking forward to joining the Wilton Grove community. I am coming to the school with 7 years of administration experience across three schools. I have a passion for education and learning for all students and look forward to supporting all our students through an inclusive and equitable lens.

I am also pleased to welcome Mrs. Julie Savard, our new Vice-Principal. Together, we look forward to building connections with staff, our students, and their families!

This year I would like to introduce Ms. A. Ding, Ms. A.Dhir, Ms.K. Nguyen-Pham, Mr.M.Weyers, Ms. R.Pearce, Mr. M.Hoekstra, Ms. H. Malo and Mr. A. Hammoud who are joining our staff.

A big thank-you to Mr. McNeilly and our custodial team. The building is gleaming and ready to receive students. Their efforts this summer are very much appreciated!

SchoolMessenger will be our primary source of information from the school, and we will be sending out a weekly News to Families memo most Fridays through this format. We will be sending out more information and first day procedures later this week.

Looking forward to seeing everyone soon!

Sincerely,

Mrs. Andrea Chevalier

Principal
